

WE ARE LISTENING...

and we want to hear from YOU.

The vision of Minnesota's [Olmstead Plan](#) is that people with disabilities will live, learn, work and enjoy life in the most integrated setting of their choice.

Annually, people with disabilities, their families and the public are invited to provide comment on the Olmstead Plan and [draft amendments](#).

The feedback is documented and provided to state agencies for consideration as part of the amendment process.

The Olmstead Implementation Office strives to ensure providing meaningful input is easy for the public. There are multiple ways to engage. For a copy of the plan, draft amendments, exact meeting locations and how you can provide comments via phone or online, visit: www.mn.gov/olmstead
